

D&C SECTION 87

Prophecy on Wars

Important Gospel Principles:

- The Lord knows the future and reveals it to man as He sees fit.
- The latter days will be a time of war and bloodshed.
- The Lord will protect those who stand in holy places.

War Prophecies Fulfilled:

American Deaths During Major Wars	
Civil	214, 939
Spanish American	385
World War I	53,513
World War II	292,131
Korean	33,667
Viet Nam	47,393
Persian Gulf	148
<i>Civil War deaths account for about 1/3 of total!</i>	

- There were 97 wars during the period of 1945-69.
- The number of persons killed in action since 1945 amounts to tens of millions. (Source: Stockholm International Peace Research Institute, Yearbook 1975.)
- The entire world spends more than \$244 billion a year on military programs (1976). That is enough money to give every person in the world over \$600 a year.

Nations shall call upon other nations to help defend themselves.
 Slaves shall rise up against their masters.
 Remnants of the land will be exceedingly angry and vex the gentiles.

Stand In Holy Places:

Holy men and holy women stand in holy places, and these holy places include our temples, our chapels, our homes, and the stakes of Zion, which are, as the Lord declares, 'for a defense, and for a refuge from the storm, and from wrath when it shall be poured out without mixture upon the whole earth.' Church Members may dedicate their homes as sacred edifices where the Holy Spirit can reside and where family members can worship, find safety from the world, grow spiritually, and prepare for eternal family relationships... Unlike Church buildings, homes are not consecrated to the Lord. To dedicate a home a family might gather and offer a prayer that would include the elements mentioned above or other words as the Spirit directs.
